World Peace Queen-4

- ◆ International competition of global peace queen is world's largest peace festival participated by world peace queens selected from eighty countries directly and indirectly associated with the Korean War broken in 1950
- ◆ International competition of global peace queen will be not only opportunity to spread international consensus about the reality of armistice and division of Korean Peninsula which are not over for over 60 years but also peace message for international community stained by terrorism and local war going on everywhere
- ◆ Eventually International competition of global peace queen will become the starting point to end the situation that Korea remains the only divided country in the world.

World Peace Queen-5

- ◆ under the circumstances of repeated North Korea's provocations such as development of nuclear bombs and show of force and stepped up Japan`s history distortion with every passing day,
- ◆ The majority of people feel a sense of deep fatigue about unstable peace on the Korean peninsula resulted from liberation not to be completed and unfinished war
- ◆ for 70 years
- ◆ because peace and unification of the Korean peninsula is not given and should be making a national task for ourselves, we should make these challenges into opportunities.

World Peace Queen-6

- ◆ Therefore, under conditions increasingly changing drastically at home and abroad.
- ◆ To overcome wisely difficult situation of the Korean Peninsula difficult to assess such as SAD deployment, social phenomenon profoundly divided, etc and to change into a platform of a blessing in disguise.
- ◆ As part of 2016 national culture festival for peaceful reunification of Korea
- ◆ by holding event appointing 2016 miss global peace queens selected from eighty countries as international goodwill ambassador
- ◆ Trial tolling ceremony of Korea Peace Bell and DMZ World peace music concerts

World Peace Queen-7

- ◆ we want to spread dream and hope for the unification of the entire nation and international consensus for the peaceful reunification of the Korean peninsula.
- ◆ The main character of the unification period will be next generation rather than the older generation who don't experienced the suffering of the Korean War. So
- ◆ we think that the top priority of the movement for unification preparation will be to provide growing youngsters to lead unified Korea with a variety of programs
- ◆ furnished with more realistic education and experience to help to establish clear vision for unity under liberal democracy

World Peace Queen-8

- ◆ So Cooperating all walks of life at home and abroad who are like-minded
- ◆ as part of communication tool of the entire nation to prepare for eventual unification
- ◆ we organize the National Cultural Festival for peaceful unification
- ◆ and in addition to the spread of a sound unification movement and restoration of homogeneity through national essay competition under the topic of “the way to unification” every year and we want to present a vision for unified Korea embracing the Continent and overcoming the division to teenagers to lead unified Korea

The Hague Project(DMZ to Hague)-1

- ◆ In honor of the 70th anniversary of liberation and division of the nation in the past 2015, as part of Korea National Cultural Festival for peaceful unification
- ◆ Our Association successfully proceeded 'International Bicycle Long March' crossing DMZ, symbol of the divided Korean Peninsula by inviting pastor C. Wonneberger who led 'Monday Peace Prayer Meeting' which was the signal for peaceful unification of Germany. It could contribute greatly to widespread consensus for the peaceful reunification at home and abroad.

The Hague Project(DMZ to Hague)-2

- ◆ Therefore, Korean Informational Association and Organizing Committee of National Culture Festival for Korean Peaceful Unification will proceed “2016 The Hague project”, bike long March running across the Eurasia continent as part of ‘Korean National Cultural Festival 2016 for peaceful unification’ in an extension of the event last year
- ◆ The Hague is the place where three Korean envoys as the apostle of peace were dispatched to inform Independence of Korean Empire to the world about 110 years ago

The Hague Project(DMZ to Hague)-3

- ◆ As symbol of 33 national leaders at that time, 33 Korean virile son will run
- ◆ from DMZ which is the division site of Korean Peninsula to the Hague along the footsteps of these envoys in this project.
- ◆ 2016 the Hague project is long and great march across Europe and Asia
- ◆ which symbolizes the unity of mankind
- ◆ deliver Message of peace and hope around the world.
- ◆ For the peaceful reunification of the Korean Peninsula.
- ◆ will be contribute to Widespread consensus and link of communication.

The Hague Project(DMZ to Hague)-4

- ◆ As private envoy promoting peaceful unification of Korea
- ◆ '2016 the Hague Project beyond the eurasia'
- ◆ will give wider publicity around the world to the pain of only divided country on Earth.
- ◆ At the same time, it could also serve as a catalyst and special instrument for wider consensus of peaceful unification of the Korean Peninsula both at home and abroad.

Seoul World Peace Concert

- By holding DMZ World peace music concert as part of 2016 national culture festival for peaceful unification of Korea, we want to spread dream and hope for the unification of the entire nation and international consensus for the peaceful reunification of the Korean peninsula so as to overcome wisely difficult situation of the Korean Peninsula difficult to assess such as SAD deployment, social phenomenon profoundly divided, etc and to change into a platform of a blessing in disguise under conditions increasingly changing drastically at home and abroad.

Unification Essay Competition of Nationwide Teachers and Students-1

- ◆ The main character of the unification period will be next generation rather than the older generation who don't experienced the suffering of the Korean War.
- ◆ So we think that the top priority of the movement for unification preparation will be to provide growing youngsters to lead unified Korea with a variety of programs furnished with more realistic education and experience to help to establish clear vision for unity under liberal democracy

Unification Essay Competition of Nationwide Teachers and Students-2

- ◆ Cooperating all walks of life at home and abroad who are like-minded as part of communication tool of the entire nation to prepare for eventual unification,
- ◆ we organized the National Cultural Festival for peaceful unification and in addition were spreading a sound unification movement and restoration of homogeneity through national essay competition under the topic of “the way to unification” every year as part of festival.
- ◆ So we want to present a vision for unified Korea overcoming the division and embracing the Continent to teenagers to lead unified Korea

Peace Bell Building Project-1

- ❖ The Korean Peace Bell Memorial was designed by Arnold Schwartzman who was 1984 Olympic design director and former counsel for the 1988 Seoul Olympics designs
- ❖ It was modeled on the shape of the UN as a 6 meters' sculpture of 60th anniversary of the Korean War armistice containing South Korean's hope for peaceful unification in the right side of the main gate of Yongsan War Memorial on December 20, 2013

Peace Bell Building Project-2

- ◆ Until 2023, which is the 28th anniversary of the Korean War Armistice, our Association will establish two more bell in the Panmunjeom and the Aegibong observatory as starting point of peace bell-building long-term project
- ◆ According to successive plans, we will construct the bells in the capitals of the 21 combatant nations as well as the United Nations headquarters.
- ◆ Last Peace Bell will be erected on the day of unification in Pyongyang,
- ◆ Like this, we will keep building under the long-term goal of building World Peace Bell Project

Unification Corn Growing Campaign-1

- ◆ Unification Corn growing campaign has the following purposes.
 - enhance sensitivity of student, school faculty and citizen on aspiration of unification becoming faint more and more
 - improvement of emotional stability
 - learning Motivation-Achievement Process
 - emotional unification education approach through the brotherly love
 - enhancing reality of unification education.
 - overcoming of differences in the idea for the Unification between generations.
 - improvement of all Korean aspirations for unification of
 - establishing principle and logic about appropriateness and necessity of unification

Unification Corn Growing Campaign-2

- attracting attention to preparation for upcoming reunification
- chance for Leap from Emotional unification education to Rational unification education
- liaison of unification education from elementary school to high school education.
- groping right view of unification from childhood.
- overcome of one-off unification education
- ◆ Our association began a campaign to grow 'Unification Corn' to overcome the unique reality of the Korean peninsula, which still remains divided since the end of the Korean War in terms of entire national unification movement

Unification Corn Growing Campaign-3

- ◆ Post-1980 generation will make of the unified Korea.
- ◆ It will be experiential and heuristic unification education for teenagers who are next generation to be leading character making unification and can help feed hungry North Korean children.
- ◆ Growing 'Unification Corn' started with the idea of helping North Korea to feed hungry children with money earned by that students on their own take advantage of the school garden near by and plant and maintain unification corn.

Unification Corn Growing Campaign-4

- ◆ As the first step, packing corn seeds in small package to be distributed to various levels of schools was conducted within Unification Hall of East Seoul Life Science High School (principal: Hwang Jeong-suk) on past April 6, 2015
- ◆ Small packing operations have made for an hour that divide by 150 seeds about 5 kilograms of corn seeds provided by DoectorCorn(Ltd.), International Corn Foundation's seed research and supply agency
- ◆ 150 seeds is amount that can be planted in 10 square kilometers.

Unification Corn Growing Campaign-5

- ◆ Dr. Kim Soon-kwon in Corn Foundation and Jeon Seung-hwan , vice-principal of Seoul Science High School proposed that since first year to start a business this year, it is good not to enter many schools in but to cultivate corn just for once on a trial basis for the following success
- ◆ To sympathize with the intent of unification corn to a large extent, Jinhung Elementary School located in Ansan (principal : Jong gyeong-dong) has requested corn seeds.
- ◆ With this proposal at the forefront. 10 schools in the Ansan area have responded.
- ◆ First of all, our Association had decided to supply them with unification corn seeds

Unification Corn Growing Campaign-6

- ◆ Incheon Urban Agriculture Networks and education process 4th students for return-to-the-soil, who major in Upland-field crop cultivation at National Agricultural Cooperative Federation College had requested corn seeds to plant in their garden.
- ◆ Farmers residing in Goyang City bought corn seeds to plant and share corns
- ◆ After this, Choe Ju-ram, teacher of Seongan Elementary School in Ansan said that
- ◆ “While children are interested in ‘unification corn sign’ stand in corn field, I could give heuristic unification education to her students.

Unification Corn Growing Campaign-7

- ❖ But it is sorry that we had so little prior knowledge of growing corn that we could not grow more and share more with students.
- ❖ What to want next time is to supply corn seeds at an earlier time to harvest before summer vacation and share corns and ideas for the unification with children.”
- ❖ Therefore, our association will aggressively push this unification corn cultivation movement on long-term national unification campaign level
- ❖ .
